Data Privacy Agreement

Mister & Miss Cavite Teens 2026

Applicant's Full Name: _____

Mister and Miss Cavite Organization (MMCO) ("MMCO") values your privacy. Please read how we handle your personal data before signing.

WHAT WE COLLECT

Your full name, age, gender, municipality, email, phone number, photo, and your platform/advocacy essay. If you are under 18, we also collect your parent or guardian's name, relationship to you, and phone number.

WHY WE COLLECT IT

To process your application, evaluate your eligibility, contact you about your application's status, and, if you are selected, to organize your participation in Mister & Miss Cavite Teens 2026, including posting your name, photo, and updates about you on our website and social media as part of that process.

WHO SEES IT

Only MMCO's officers, volunteers, and judges directly involved in reviewing applications and running the pageant. If you become a finalist or winner, your name, photo, and biography may also be shared with our official media partners and sponsors for promotional purposes. Your data is stored using Google Sheets and Google Drive, and this website (misterandmisscavite.com) is owned and operated by Mister and Miss Cavite Organization (MMCO); it runs on Vercel and sends notification emails through Resend, each of which is contractually bound to keep your data secure and confidential.

HOW LONG WE KEEP YOUR PHOTOS

We keep your photos and posts about you for three (3) months after the competition concludes, after which they are taken down for applicants who did not win. If you are a winner, we may keep and continue using your photos and information for longer, for as long as reasonably needed for your ongoing role and endorsements as an MMCO winner, for example representing MMCO at another pageant or event. You may ask us, at any time, to take down a specific post or photo; contact us using the details below and we will act on it within a reasonable time. We do not claim an unlimited, unconditional right to keep posting about you forever.

YOUR RIGHTS

Under the Data Privacy Act of 2012 (RA 10173), you have the right to be informed, to access your data, to object to its processing, to have it corrected, to have it erased or blocked, to complain to the National Privacy Commission, to claim damages, and to receive a copy of your data in a portable format. To exercise any of these, email us at mistermisscaviteclients@gmail.com.

I have read and understood this Data Privacy Agreement, and I voluntarily consent (and, if I am a parent or guardian, on behalf of my child) to MMCO collecting and processing this personal data for the purposes stated above.
